Dear CAHON members,

We hope that this note finds you in great spirits.

On behalf of the CAHON Board and the CAHON Executive team, we are seeking nominations for candidates with proven leadership record and passion to serve CAHON as the next CAHON President (2018-2019). Per CAHON Bylaws, the eligible candidates are required to be active CAHON members for at least the past two years. Self-nomination is also strongly encouraged. Besides highlighting the credentials and qualifications of the nominees, please also articulate his or her vision for the future of CAHON in a brief essay. Nominations need to be sent to Weijing Sun at sunw@upmc.edu and Zihai Li at zihai.li.musc@gmail.com by **April 15, 2017**. The CAHON Board will then call for a general election shortly thereafter.

Thank you for your consideration and support.

Yours in service,

Zihai Li, MD, PhD, CAHON President (2016-2018)

Weijing Sun, MD, CAHON Board Chair (2016-2018)
